### *TOURNAMENT PROTOCOL AND PLAY*

- Format is SCRAMBLE play.
  - Each player will hit a tee shot. The team will select the best ball for each stroke. Each player will then place his/her ball within one club length of that location and play a stroke.
  - The team must use at least 3 drives from each player.
  - At the end of the round, please take your team scorecard to the scorer's table.
  - Please do not adjust for handicap; the scorers will do so following play.

- Flights
  - Teams will be divided into flights as pre-determined by the Hawk's Nest Professional.
  - Those teams with a player or players without a verifiable handicap/index will be placed in a non-handicap flight.
  - Please submit estimated handicaps for those players who do not have verifiable handicaps.
- Handicaps
  - The handicap system used is the low handicap of the team multiplied by 50%. The remaining three handicaps will be added together and divided by 12. The two resulting numbers will be added together to determine the team handicap to the nearest hundredth.
- Women will play from the standard (red) tees and men from the middle (white) tees.
- Course Contests – **Mulligans cannot be used for prize shots.**
  - Hole-in-One Contests
  - Closest to Pin: Men; Women
  - Longest Drive: Men; Women
- Yardages
  - All yardages are measured to the center of the green.
  - Pin placement sheets will be on each cart. The day's pin number will represent the pin location on each hole.
- Ties
  - Matching the total first 9-hole scores will break all ties. If the tying teams have the same score for the first 9 holes, the winner is determined based on a total of the last six holes, the last three holes score, and finally the 18<sup>th</sup> hole score.
- Local Rules
  - Hawk's Nest Golf Club local rules sheets will be placed on each cart.
  - Tournament is official upon completion of at least 9 holes by all teams.
